Engineering Honors Program
Bachelor of Science in Computer Engineering
Minor in Mathematics
GPA: 4.0

Expected graduation: May 2023

Louis D. Brandeis High School, San Antonio, Texas
Rank: 11/617 Overall GPA: 102.47

Aug 2015-May 2019

ACTIVITIES

SEC Directed Internship, Texas A&M

July 2021 - Aug 2021

The SEC Directed Internship was a 7-week summer program, where my group was assigned a problem statement and was tasked with creating a product solution, with an accompanying presentation to be given to a team of industry professionals. Participating in the SEC internship program allowed me to:

- Collaborate with a team of students to complete weekly deliverables and present to a mentor
- Acquire a foundation in engineering entrepreneurship, including market research, product design, and basic finances
- Learn strategies to give an engaging and effective presentation
- Improve my communication skills in a virtual environment
- Prepared weekly presentations for meetings with industry professionals and Texas A&M staff

Tutoring

Sept 2019-May 2020

- Prepared short lesson plans for High School students before each meeting aimed to give the student a deeper understanding of key concepts, and strategies for how to solve problems

Freshman Leadership Organization (FLO), Texas A&M

Sept 2019-May 2020

- Promoted school spirit across campus through student engagement, service, and community outreach.
- Attended weekly meetings, group activities, and school spirit events. Helped plan and manage the organization's social events.
- Participated in charity events, such as Carly's Way Animal Rescue, and donation drives.

Hullabaloo Pep Band, Texas A&M

Sept 2019- March 2022

- Played the trumpet at a majority of the volleyball, men's basketball, and women's basketball games at A&M.

Concert Band, Texas A&M

Aug 2019- May 2022

- Play the trumpet in the Concert Band where we rehearse
